

WATER ENTERPRISES — STELLARIUM FOUNDATION

WaterParty

Swipe into the party. Meet people. Have fun.

The Tinder for parties — real-time social discovery,
integrated payments, and global currency support

water.enterprises.org@gmail.com · waterparty.app

WATER ENTERPRISES — STELLARIUM FOUNDATION

THE PROBLEM

Finding real-world social events is broken

Cluttered

Facebook Events is buried in noise, irrelevant suggestions, and ads

Rigid

Meetup requires advance RSVPs — no spontaneity

Disconnected

No app combines discovery + chat + payments in one flow

Users jump between Instagram → WhatsApp → Venmo → Uber to plan one night out

THE SOLUTION

WaterParty — one app for the entire party journey

Swipe

Tinder-style discovery of nearby parties

RSVP

Instantly join with one tap

Chat

Real-time party chat rooms

Participate

Send tips, fund events, earn trust

⚡ Real-time via WebSockets · 🌐 Auto-currency from GPS · 💳 Stripe-powered payments

WATER ENTERPRISES — STELLARIUM FOUNDATION

HOW IT WORKS

Swipe. Party. Repeat.

For Party-Goers

- Swipe through nearby parties
- RSVP instantly
- See who's attending
- Rate your experience

For Hosts

- Create a party in 60 seconds
- Set capacity, time, location
- Track RSVPs and attendees
- Build hosting reputation

For Everyone

- Chat in real-time
- Send tips
- Contribute to crowdfunds
- Earn trust scores

All connected — tipping, crowdfunding, profiles, and chat in a single ecosystem

WATER ENTERPRISES — STELLARIUM FOUNDATION

Everything you need for a great night out

Swipe Discovery

Tinder-style cards with party photos, location, crowd size

Party Chat

Per-event chat rooms — know who's going before you arrive

Tipping

Send money to hosts or attendees via Stripe

Crowdfunding

Pool money for a party — hit the goal, the party happens

Auto-Currency

GPS detects your location → auto-switches to local currency

Rich Profiles

Social links, photos, trust scores, hosting history

Push Notifications

Real-time alerts for new parties, messages, followers

Cross-Platform

iOS + Android from a single React codebase

MARKET OPPORTUNITY

A massive, underserved market

\$150B+

TAM — GLOBAL NIGHTLIFE & EVENTS

\$15B

SAM — SOCIAL DISCOVERY APPS

\$500M

SOM — REACHABLE IN 5 YEARS

2B+

Global 18–35 demographic

\$50–\$150

Average spend per night out

No dominant app in the "spontaneous social discovery" category
